

COLLEZIONE **MALIZIE** *design: Studio Cibò*

Malizie è una collezione di angoliere, mensole, specchi ingranditori e vari componenti, studiate per arredare la cabina doccia e il bagno. Mantenendo salda la caratteristica di qualità, OML realizza questa collezione interamente in Acciaio Inox AISI 304 (18/10) o in Ottone Cromato e Bianco, con l'inserimento di vaschette trasparenti in metacrilato

COLLECTION **MALIZIE** *design by: Studio Cibò*

Malizie is a collection of corner units, shelves, magnifying mirrors, and various components for furnishing the shower cubicle and bathroom.

Maintaining the characteristic quality of our products, OML has created this collection entirely in AISI 304 stainless steel (18/10) or chromium-plated or white brass, with the inclusion of transparent metacrylate trays.

COLLECTION **MALIZIE** *design: Studio Cibò*

Malizie est une collection d'étagères d'angle, de tablettes, de miroirs grossissants et d'autres accessoires, étudiés pour agrémenter la cabine de douche et la salle de bains.

Conservant comme de rigueur la caractéristique de qualité, OML réalise cette collection entièrement en Acier Inoxydable AISI 304 (18/10) ou en Laiton Chromé et Blanc, avec l'introduction de cuvettes transparentes en méthacrylate.

KOLLEKTION **MALIZIE** *Design: Studio Cibò*

Bei Malizie handelt es sich um eine Kollektion von Eckelementen, Konsolen, Vergrößerungsspiegeln und weiteren Komponenten, die zur Ausstattung der Duschkabine und des Badezimmers konzipiert wurden.

Um dem Kunden wie bisher gewohnt Produkte anbieten zu können, die sich durch höchste Qualität auszeichnen, realisiert OML diese Kollektion ausschließlich in Edelstahl AISI 304 (18/10) oder in verchromtem und Weißmessing mit verschiedenen transparenten Schalen aus Methacrylat.

COLECCIÓN **MALIZIE** *diseño: Studio Cibò*

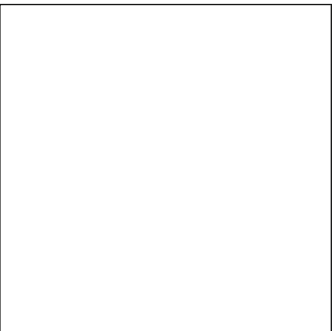

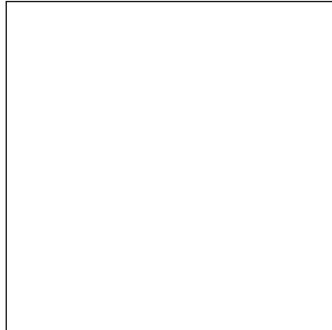

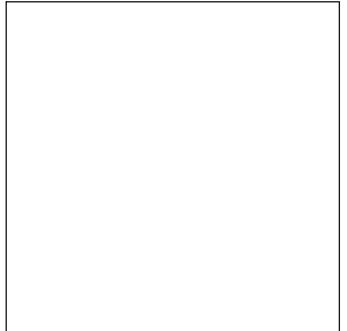

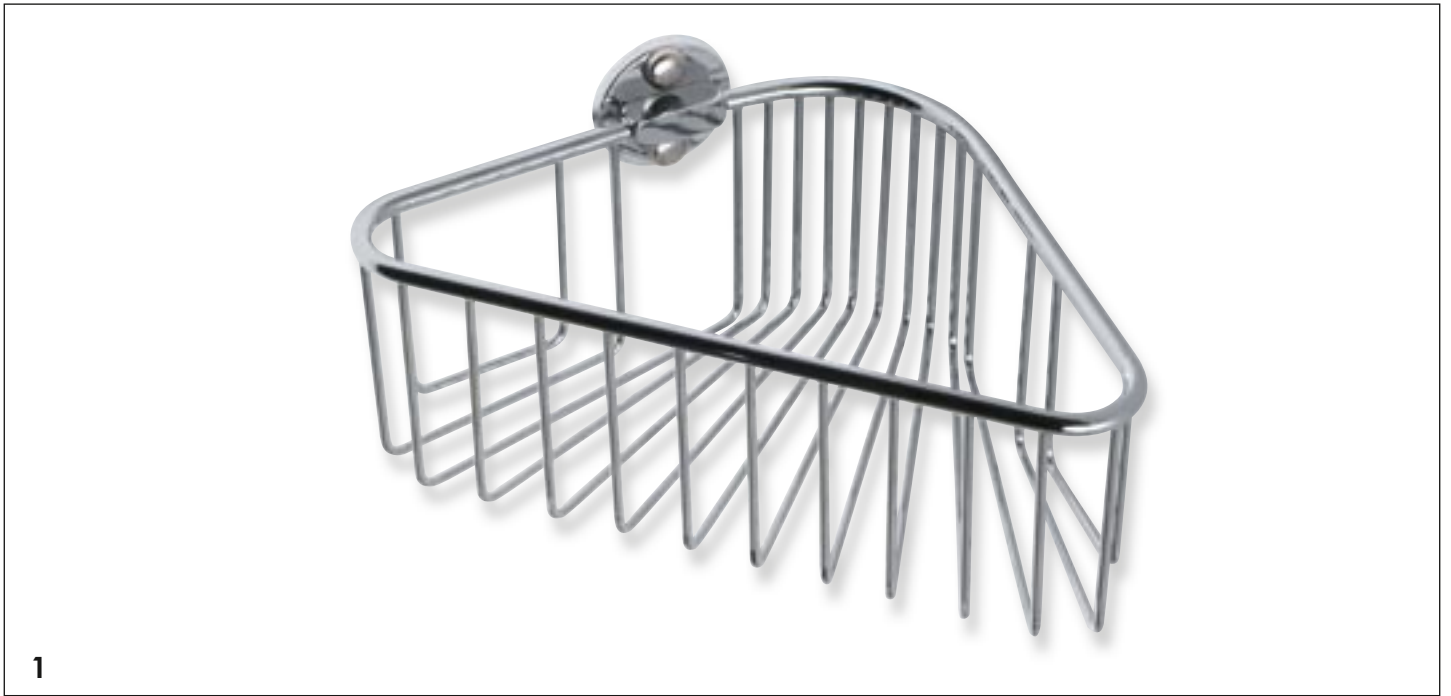

Malizie es una colección de rinconeras, repisas, espejos de aumento y varios componentes, estudiados para decorar la cabina de ducha y el cuarto de baño.

OML realiza esta colección, manteniendo la calidad que la caracteriza, totalmente de Acero Inoxidable AISI 304 (18/10) o de Latón Cromado y Blanco, con la introducción de cubetas transparentes de metacrilato
