#### COLLEZIONE **DOMINO** - Design Studio OML

DOMINO coniuga ricerca e design.

Linee minimali si collegano perfettamente a curve sinuose, dando origine ad accessori cromatici attuali che si collocano perfettamente nelle nostre sale da bagno e grazie ai quali possiamo prenderci cura del nostro benessere creando un'atmosfera di gradevole intimità.

Realizzati in cromo lucido, il portasapone, bicchiere e dispenser sono disponibili in vetro satinato e trasparente mentre il vaso scopino è satinato. La linea prevede anche accessori d'appoggio e piantane attrezzate.

#### **DOMINO** COLLECTION - Design Studio OML

DOMINO combines innovation and design. Minimal lines link perfectly with wiggly curves creating chromatic and up-to-date accessories which are ideal for our bathrooms and lead us to take care of our wellness in a pleasant atmosphere. The line is made in chromium plated brass and its components like the soap-holder glass-holder and liquid soap-holder can be in transparent or in frosted glass, the toilet brush holder is in frosted glass. The line comprehends also accessories that you can lean on a top and articulated stands.

#### COLLECTION **DOMINO** - Design Studio OML

DOMINO joint recherche ainsi que design

Lignes essentielles se relient parfaitement aux courbes douces pour concevoir des accessoires chromatiques contemporains qui s'adaptent tout à fait dans nos salles de bain moyennant lesquels nous pouvons soigner notre bien-être en créant une atmosphère d'intimité agréable. Ils sont réalisés en chromé poli, tandis que le porte-savon, le verre et le dispenser sont disponibles en verre satiné. La ligne est aussi complète avec les accessoires à appuyer et colonnes équipées.

#### KOLLEKTION **DOMINO** - Studio OML Design

DOMINO vereint in sich Forschung und Design.

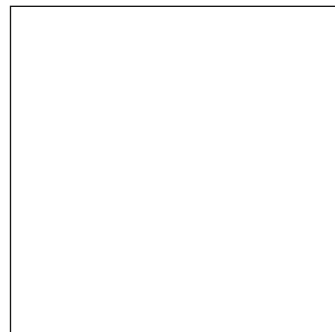

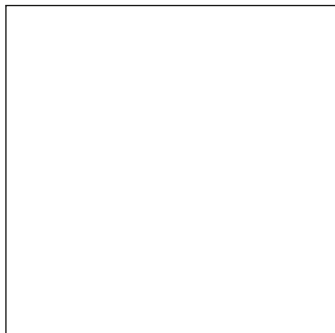

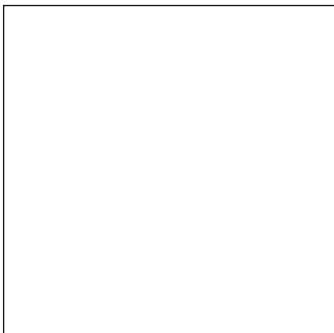

Minimallinien verbinden sich vollkommen mit weichen Kurven und erzeugen aktuelle chromatische Zubehöre, welche zu unseren Badezimmern sehr gut passen, und wodurch wir für unser Wohlbefinden sorgen und eine Atmosphäre angenehmer Gemütlichkeit schaffen können. Aus glänzendem Chrom hergestellt, sind der Seifenhalter, das Glas und der Seifenspender aus satiniertem und transparentem Glas lieferbar, während der Klosettbesenhalter satiniert ist.

Die Serie umfasst auch Stützzubehöre und Mehrzwecker-Ständer.
