

ÈL

#### COLLEZIONE ÈL

design: Studio OML

Collezione realizzata in tubo di ottone verniciato in tre varianti di colore: cromo, bianco e bianco-blu.

La gamma comprende accessori che esaltano un design pulito e semplice nelle forme che li rende adattabili alle diverse tipologie di stanza da bagno.

Vi è la possibilità di poter integrare i complementi di Èl con portasapone, bicchiere e portarotolo e di poter giocare con il colore, personalizzando il nostro ambiente.

#### ÈL COLLECTION

design: Studio OML

Collection made in painted brass tube in three different colours: chromium-plated, white and white-blue.

This range includes accessories enhancing an essential design making them suitable to all types of bathrooms.

Èl complements could be fitted with soap-holder, glass and toilet roll holder playing with the colour to well match our home.

#### COLLECTION ÈL

design: Studio OML

Collection réalisée en tube en laiton verni de trois couleurs différentes : chrome, blanc et blanc-bleue.

La gamme inclue des accessoires qui mettent en évidence un design essentiel et des formes simples pour être agréablement placés dans salles de bain différentes.

Les équipements Èl peuvent être dotés de porte-savon, verre et porte-rouleau et jouer avec la couleur pour personnaliser votre salle de bain.

#### KOLLEKTION ÈL

design: Studio OML

Kollektion aus in drei Farbvarianten lackiertem Messingrohr: Chrom, Weiß und Weiß-Blau.

Die Palette umfasst Accessoires, die ein sauberes Design mit einfachen Formen betonen, die sich an die verschiedenen Badezimmer typen anpassen.

Es besteht die Möglichkeit, die Zusatzteile von Èl mit Seifenschale, Glas und Rollenhalter zu kombinieren: Spielen Sie mit der Farbe und verleihen Sie Ihren Räumlichkeiten einen persönlichen Touch.

#### COLECCIÓN ÈL

design: Studio OML

Colección realizada en tubulares de latón barnizado en tres colores diferentes: cromo, blanco y blanco - azul.

Esta gama comprende accesorios que resaltan un diseño limpio y sencillo en las formas, que además los hace adaptables a los diferentes tipos de cuartos de baño.

Existe la posibilidad de integrar los complementos de Èl con jaboneras, vasos y portarrollos, y de jugar con los colores para así personalizar nuestro ambiente.
