### COLLEZIONE **GRIFFEKOLOR**

La versatilità del nuovo programma GRIFFEKOLOR, dà la possibilità a molteplici abbinamenti di colore, creando soluzioni ideali per ogni stanza da bagno. Il colore del supporto e delle finiture in ottone Cromato e Dorato si potrà abbinare al colore Rosa, Verde, Blu, Bianco del vetro dei: pomoli, portasapone, bicchiere portaspazzolino e vaso portascopino; mentre le mensole saranno sempre in vetro Satinato Bianco. Novità nella produzione OML è il pomolo in legno di ciliegio abbinato con i complementi in vetro Satinato Bianco.

### **GRIFFEKOLOR** COLLECTION

The versatility of the new GRIFFEKOLOR program allows plenty of colour matching, so creating perfect solutions for every bathroom. The colour of the support and the brass finish Chromium-plated and Gilt, can match the Pink, Green, Blue, White colour of the glass of knobs,

soap-holder, toothbrush-holder and brush-holder vase, while the shelves will always be in Satin-finished glass. New in OML production is the knob of cherry-wood matching the furniture items in white Satin-finish glass.

### COLLECTION **GRIFFEKOLOR**

La souplesse du nouveau programme GRIFFEKOLOR offre la possibilité de plusieurs mariages de couleurs ce qui permet d'avoir des solutions idéales pour toute salle de bain. La couleur du support et des finitions en laiton Chromé et Doré, pourra être mariée au Rose, au Vert, au Bleu, au Blanc du verre des: poignées, porte-savon, verre porte-brosse à dents et du pot porte-balayette, alors que les tablettes sont toujours en verre Satiné Blanc. La nouveauté de la production OML est le pommeau en bois de cerisier qui se marie aux accessoires en verre Satiné Blanc.

### KOLLEKTION **GRIFFEKOLOR**

GRIFFEKOLOR bietet eine Vielfalt an farblichen Kombinationen für die optimale Einrichtung Ihres Badezimmers. Die Farben der tragenden Teile aus Messing in den Varianten verchromt und vergoldet. Sie können harmonisch mit den Glasfarben Rosa, Grün, Blau, Weiß der Endelemente, der Seifenschalen, Zahnbürstenhalter und Klosettbbürstenhalter kombiniert werden. Die Konsolen bestehen immer aus satiniertem weißem Glas. Als Neuheit bietet OML in ihrer Produktserie die Endelemente in Kirschbaumholz in Kombination mit den Ausstattungsteilen aus satiniertem weißem Glas.

### COLECCIÓN **GRIFFEKOLOR**

La flexibilidad del nuevo programa GRIFFEKOLOR, permite combinaciones múltiples de color, creando soluciones ideales para cada cuarto de baño. El color del soporte y de los acabados de latón Cromado y Dorado, se puede combinar con el color Rosa, Verde, Azul y Blanco del vidrio de las esferas, jaboneras, vasos para el cepillo de dientes y recipiente portaescobilla; mientras que las repisas serán siempre de vidrio satinado blanco. Novedad en la producción OML es la esfera de madera de cerezo, combinada con los accesorios de vidrio satinado blanco.
