COLLEZIONE ZAC *design: Studio OML*

Linea di accessori attuale che integra e completa un programma di prodotti semplici, funzionali da collocare nella stanza da bagno. Estremamente completa, ZAC è una collezione ove gli elementi sono realizzati utilizzando esclusivamente materie prime selezionate come l'ottone cromato. Le mensole sono prodotte in vetro trasparente e in vetro extrachiaro acidato e i componenti quali portasapone, il bicchiere, il portasapone liquido e il vaso portascopino, sono disponibili sia in vetro acidato che in acciaio INOX AISI 304.

ZAC COLLECTION *design: Studio Cibò*

A modern line of accessories that supplements and completes a range of simple, functional products for decorating the bathroom. Zac is an extremely comprehensive collection in which the elements are made by using only selected raw materials such as chromium plated brass. The shelves are made of transparent glass and extra-clear etched glass and the components such as soap holder, glass, liquid soap holder, and lavatory-brush holder, are available in both etched glass and in AISI 304 stainless steel.

COLLECTION ZAC *design: Studio Cibò*

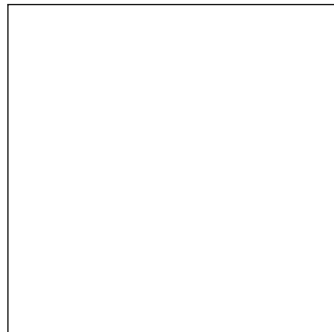

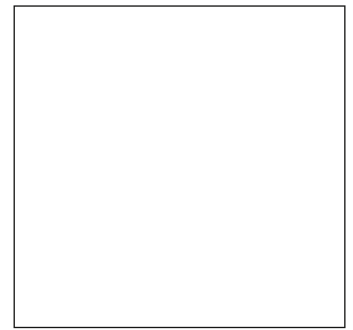

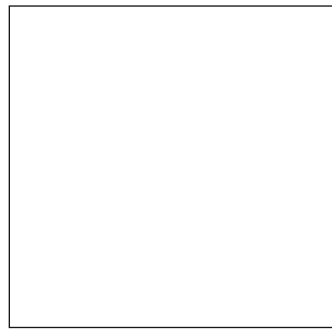

Ligne d'accessoires moderne qui complète et affine un programme de produits simples, fonctionnels, à placer dans la salle de bain. Complète à l'extrême, ZAC est une collection dans laquelle les éléments sont réalisés exclusivement dans des matières premières sélectionnées tel le cuivre chromé. Les étagères sont réalisées en verre transparent et en verre opaque extra clair et les accessoires, comme porte-savon, verre, porte-flacon à pompe pour savon liquide et porte-balayette, sont disponibles aussi bien en verre opaque qu'en acier INOX AISI 304.

KOLLEKTION ZAC *design: Studio Cibò*

Moderne Zubehörserie zur Ergänzung und Vervollständigung eines Programms von einfachen und funktionellen Produkten. ZAC ist eine extrem vollständige Serie, deren Elemente ausschließlich aus ausgewählten Materialien wie verchromtem Messing hergestellt werden. Die Ablagen bestehen aus durchsichtigem Glas und aus extrahellem geätztem Glas während die Einzelteile wie Seifenschale, Zahnbecher, Behälter für Flüssigseife und Toilettenbürstenhalter sowohl in geätztem Glas als auch in Edelstahl INOX AISI 304 erhältlich sind.
